## **Membership Deposit**

Deposit Detail - It is required by each member to keep a credit card on file. New members with no history at the Club will be required to post a refundable initial deposit of \$1000.00. This deposit will be held to secure the account of the new member and will be applied to the members account if a situation occurs wherein there are unpaid charges for longer than 30 days. This deposit will be refunded after one year contingent upon the member establishing a good payment history at the Club. The credit card on file will be charged for any unpaid balances. If the balance goes unpaid for longer than 30 days, we reserve the right to terminate the membership and turn the account over to collections. It is the members responsibility to notify our office immediately regarding any changes to the credit card on file so that we may update the member account.

## **Resignation of Membership**

Resignation Detail - Every member is required to turn in a signed and dated resignation letter for the member account to be terminated. If the member has a balance on the account it will be required to be paid in full before the membership is terminated. If a membership is canceled after the 1st day of the month the member will be charged for the entire month. If membership is cancelled before the end of the 12-month period, you will be required to pay the balance for the remaining months and you will not be able to acquire another membership for 1 year subsequent to the resignation date.

## **Late Fee Charges**

Late Fee Charge Detail – Every member will be charged a \$25.00 late fee for any payments that are not received by the due date. If a member is consistently behind more than 30 days on paying the membership balance by the due date, we reserve the right to terminate the membership and process the credit card on file.
